

To all,

This is a notification that the paging services are continuing to experience problems. Local Alpha and Numeric pagers are affected only. However, customers are still capable of emailing via Outlook, DOE-intranet or Valupage's website. A notification will be sent out when repairs are completed. Note that Nationwide pagers are not affected.

Outlook: Pagernumber@knox.valuepage.net

DOE'S: <https://sharepoint.oro.doe.gov/SearchCenter/Pages/sendpage.aspx>

Value page: <http://pager.cellularpage.net/>

Thank You.
